

The 1814 Society

In 1814, a group of visionary legislators, war veterans and citizens first recognized the benefit of celebrating the nation's military heritage by collecting and publicly displaying the symbols of the nation's early struggle for freedom and independence.

Today, members of the prestigious 1814 Society share in this legacy by supporting the construction of the National Museum of the United States Army – America's premier center for the preservation and exhibition of the Army's past. Behind every artifact is the story of Soldiers whose service and sacrifice are an integral part of American History. You are invited to support this important project by becoming a member of The 1814 Society.
