Join us on the journey to 250.

The Army Historical Foundation is dedicated to preserving the 250-year story of the Army because it is the story of America. We cannot truly understand our nation's founding and the survival of our democracy without knowing the contributions and sacrifices made by the American Soldier since June 14, 1775.

As the Foundation to the National Museum of the United States Army, The Army Historical Foundation (AHF) takes pride in serving as the nation's primary caretaker and promoter of Army history. America's Soldiers are among the finest of our citizenry and have been instrumental in forming and protecting our nation. AHF continues to ask for the nation's support as it plays a vital role in ensuring the mission moves forward and the National Army Museum remains a world class tribute to the American Soldier.

The second secon

One year before America observes the 250th Anniversary of the Declaration of Independence in 2026, AHF helps lead the nation in celebrating the Army that made it possible. As a prelude to America's semi-quincentennial, join the Foundation on the journey to commemorate the service that helped defend and secure our independence as we celebrate the Army's upcoming 250th Birthday in 2025.

Activities Ahead

Planning is underway for two years of special experiences produced by AHF and the National Army Museum to commemorate the Army's and America's 250th. AHF will collaborate with peer museums, cultural institutions, and education groups to take our mission and the Museum experience across the country. Save the date for these highlights ahead. More events will be announced closer to 2025 and beyond!

> April 4, 2025 – Museum Annual Spring Symposium

June 14, 2025- Public Opening of Call to Arms Exhibit

> June 14, 2025 – 250th Army Birthday Festival
